

## Back To School!

Back to school

can be tough especially for creative kids- we're here for you if you need us. If you/your child is having a hard time, please let us know and we will be extra kind and accommodating in any way needed. We recognize we at TSS are often first responders for students who may be struggling. ALL staff are aware of this honor.

## UPCOMING ANNOUNCEMENT

We have been working on a "peer council" that will welcome new students and make connections with younger students. We believe this will be an extra step we can take to make all of the shackers feel supported and part of the shack.

More information will be emailed this fall.

\*Check and Cash payments receive \$25 off their invoice only if paid before the 3rd after the invoice.

**Reminder:** Invoices not paid by the 3rd day after it is due are charged \$25 and \$50 after the 5th day.

**Reminder:** Accounts older than 2022 will see an additional \$25 on their invoices. We have put off increasing tuition for the older accounts for sometime now and it is just unavoidable. Thank you for understanding.
