# What is #ReelLearning?

#ReelLearning from Dream Goals is a daily micro-learning system that uses short, emotionally engaging **2-minute videos** to build powerful workplace behaviors. Each theme contains 30 lessons — building habits, consistency and real-world impact through strategic repetition.

## Why It Works

Short, daily learning fits naturally into the modern workday and creates long-term retention through repetition and emotional triggers that enhance memory formation.

### Relatable Workplace Stories

Every video features real scenarios your teams face daily

### Leadership Insights

Practical wisdom employees can apply immediately

### Emotional Triggers

Strategic emotional engagement increases retention and drives action

### Instant Application

Each lesson includes one behavior to implement today

# How it Works: Your 6-Step Journey

Implementing #ReelLearning is seamless, requiring zero facilitation time while delivering maximum impact through strategic daily touchpoints.

01

## Choose Your Monthly Theme

Select from leadership, communication, behavioral skills, emotional intelligence, productivity, client handling and more. Each theme has 30 daily micro-learning videos.

02

## Receive 30 Ready-to-Use Videos Per Theme

Get professionally produced studio-grade videos with descriptions and posting instructions. Everything is fully plug-and-play.

03

## Publish One Video Each Day

Upload daily on MS Teams, WhatsApp, Workplace, intranet, email or LMS. Daily repetition drives higher learning retention.

04

## Employees Learn in 2 Minutes

Each video delivers a story, emotional moment, leadership insight and one practical action. Fast, simple and effective.

05

## Reinforcement Assessments

After every 5th video, learners complete short assessments to reinforce learning, strengthen memory and track progress.

06

## Measure Engagement & Improvement

Track participation rates, assessment scores, feedback and monthly behavior trends to demonstrate ROI.

- A story of a leader who saved a team
- The most underrated leadership behavior
- Creating psychological safety in 60 seconds
- When a leader's words heal a team
- The habit that makes leaders unforgettable
- The power of saying "I don't know"
- Leadership during crisis
- The smallest gesture that builds loyalty
- Influencing without authority
- Why good leaders lose good people
- Why teams follow some leaders naturally
- A 2-minute shift in emotional intelligence

## Days 16-30: Mastery & Character

- Restarting a broken team
- What employees need but never ask
- Leading by listening
- How leaders inspire ownership
- The hidden cost of losing your temper
- Choosing between people and performance
- Why powerful leaders don't shout
- A simple framework to handle conflict
- A leadership failure that became a turning point
- The importance of vulnerability
- Micro-recognition and its impact
- What your team feels but doesn't say
- The 5-second impulse control technique
- The ultimate test of leadership character
- Becoming a leader people are proud to follow

📅 **Assessment checkpoints:** Days 5, 10, 15, 20, 25 and 30 include reinforcement assessments to solidify learning and measure progress.

# Why Organizations Choose #ReelLearning

1

## High Impact with Minimal Time

No scheduling, no trainers, no logistics. Deploy enterprise-wide learning without disrupting workflow or productivity.

2

## Designed for Busy Corporate Teams

Employees learn between tasks, during breaks or on the go. Micro-learning fits seamlessly into the modern workday.

3

## Behavior Change Through Repetition

Daily learning builds habits, not just knowledge. Consistent touchpoints create lasting behavioral transformation.

4

## Scalable and Cost-Effective

Train 50 or 50,000 employees with the same content. Eliminate per-learner costs while maintaining quality and consistency.

5

## Builds a Culture of Continuous Improvement

Two minutes of learning each day creates long-term impact. Transform your organization one day at a time.

---

Bring #ReelLearning to your organization and help your workforce communicate better, think sharper and lead with confidence — one day at a time.
