- small backpack for daily excursions, best are the hydration backpacks

- No need to get a Visa in advance. If we need one, we will purchase it in Sharm at the airport for \$25.

And additional suggestions: It's been fun to have a small instrument and a game to play while we travel, or wait... I will bring my guitar, so if you have songs you would like for us to sing, bring lyrics and chords. There will be a first aid kit with us the whole time and a homeopathic pocket pharmacy. Please bring only what you specifically need for yourself. Also please let me know about any medical conditions, allergies or food intolerances in advance. Thank you! We will all buy a Bedouin Jalabea the first day we arrive. It will protect us from the sun and help us get into the feeling:-)
