

CRAG: Community Revitalization Action Group

What is CRAG?

CRAG stands for **Community Revitalization Action Group**, which is a designated target area in San Antonio covering the city limits as they existed prior to 1940. This area receives special prioritization in certain City of San Antonio housing assistance programs.

Location	Loan Amount (Forgivable, 0% Interest)
Inside City limits, OUTSIDE CRAG	\$20,000
Inside the CRAG Area	\$40,000

Why this matters:

- Larger loan amounts encourage homeownership in inner-city revitalization areas.
- CRAG homes qualify for up to double the assistance compared to homes outside CRAG.
- Supports affordable housing and neighborhood revitalization goals.
