Member Research Information Project

**We want to hear about you and your horse/s,
whatever you may be doing with them!**

We would love to create a bit of a data base on our members so that we can have a profile on various folk from time to time in the Bay Bulletin – just like you would have seen with the information out the committee members through the Winter, Spring and Summer BB for 2020. By filling out this form you are agreeing to let us publish the photographs you include (whether on this page or separately) in the Bay Bulletin, our website, FB page or promotional material for the Cleveland Bays and the CBHSA.

So, without further ado – if you could possibly see your way clear to filling this form out and getting it back to us, it would be greatly appreciated. Even if you can only scan it or photograph it with your phone and email it in at present – that's fine – we will contact you for a good copy of your photographs when we are ready to use them – unless you post them to our CBHSA Members Only Facebook Page – we can lift them from there.

Our email for any forms to be sent to is: cbhsaustralasia@gmail.com

What first attracted you to Cleveland Bay Horses? _____

Do you have any Cleveland Bays – Pure, Partbred (by or out of a Purebred and with the other blood being Thoroughbred), or **Sporthorses** (by or out of a Purebred, Partbred or Sporthorse with a minimum of 12.5% CB Blood and containing blood of any other breed)?

If yes, how many and quantity/sex of each, along with registered and paddock names of each – if not registered with the CBHSA, we may be able to help you with this provided we can trace the breeding/brands/markings/history you may know:

What do you do with your horse/s? For example – you may trail ride, do some Dressage, Adult Riding Club activities, Cattle Work, Eventing, Showjumping, Carriage Driving, Hacking, Breed Showing, Campdrafting, Cutting, Breeding, or just admire him/her in the paddock. Anything you may do with your horse/s is of interest to us and we love to hear what the horses are up to. This is also a fantastic way of promoting the versatility of the Cleveland Bay in its Pure, Part and Sporthorse form. Any Images you have to share with us would be fantastic – if you have hard copies only of them and are unable to scan and email them in – you can post them to the CBHSA Secretary who can scan and return them to you. High resolution Digital Images are best – however we will happily accept any and all images you can find! You never know what we can do with them! 😊

Is there anything else you would like to add? Feel free to add an extra page or two 😊 – the more information and stories the better! For example – are there any standout moments with your Cleveland Bay/s that have cemented your bond with them completely? Have you found yourself in any really sticky situations that if with any other horse may have been a complete disaster – but with the CB temperament – the outcome was a much safer one than expected?
