GENERAL TERMS & CONDITIONS

- You must be 21 years of age or older to lease a box, be a member, and smoke in SIGARO.
- Boxes are leased, and membership is established annually based on your anniversary date (when you sign up).
- The box holder agrees to refrain from placing any tobacco or other product in the box that violates federal, state, or local laws and agrees to be responsible for the box's contents.
- The box holder agrees that SIGARO may access the box for maintenance purposes (such as checking temperature and humidity levels). SIGARO monitors and maintains humidity and temperature optimally through a state-of-the-art system. We cannot, however, be responsible for products in the boxes.
- Upon rental expiration, attempts through email and phone calls will be made to contact the box holder based on the information in this contract. Boxes two weeks overdue will be emptied and made available for rent. The cigars in these boxes will be disposed of if not picked up within 30 days.
- SIGARO reserves the right to revoke the lease of any person who does not abide by the policies determined by SIGARO management. SIGARO reserves the right to cancel existing memberships and not renew existing memberships for personal conduct that management considers detrimental to the best interests of SIGARO. NO prorated amount will be returned to the person if membership becomes revoked during the lease term.
- All box leasing and club dues payments are considered final and non-refundable.
- SIGARO reserves the right to change hours of operation at any time throughout the year and further reserves the right to close for private events. When closing for events, a notification will be posted on social media, email blast, and/or the SIGARO website.
- Box leasing and club membership do not guarantee a seat. Every reasonable effort is made to accommodate groups and allow for a pleasant and comfortable experience for everyone, but at times, seats or specific rooms may not be available. Seating is "first come/first served."
- Members/Guest may only have alcoholic beverages on the second floor or second floor deck. Members/Guest can only drink alcohol on the first floor when SIGARO is hosting an event or is closed for a private event. Members/Guest may not drink alcohol outside or in the parking lot.
- Members may bring up to three guests to SIGARO during normal business hours. Normal business hours are defined as hours SIGARO is open, an employee of SIGARO is working, and the humidor is open for business. Please follow any current business hours located on the SIGARO website or posted through the store.
- Members may have 24/7 access to SIGARO using biometric entrance through the backdoor (parking lot entry) of SIGARO.
- Members may not bring guests during 24/7 access unless a "Day Pass" is purchased in advance or the "day of".
 - Day passes for guests of members are \$10 any time/day of the week (no weekend upcharge).
 - One day pass MUST be purchased for every guest that a member brings to SIGARO outside of normal business hours.
 - Example: If the store closes at 9PM and a member is staying with a guest later than 9PM – a Day Pass is required. If the store opens at 2PM and a member brings a guest before 2PM – a day pass is required.
 - Day passes are a one-time use. They expire when the member and guest leave the store.
 - Guests MUST keep a physical day pass on them at all times with their information filled out on the day pass.
 - Guests are required to stay with the members the entire time at SIGARO.
 - Members are responsible for any stolen or broken items during their time with the guest.
 - SIGARO reserves the right to refuse any member/guest who abuses the 24/7 access.
 - Guests are required to be over the age of 21 to enter SIGARO.
 - No cigarettes are permitted to be smoked in the lounge by a member or guest.
 - SIGARO is not responsible for any personal injury inside or outside the store during 24/7 access.
 - Any violation of the 24/7 rules will result in immediate termination of 24/7 access with NO refund to the member.
