

GLEN LAKE PROTECTIVE ASSOCIATION
General Membership Meeting
August 12,2019

We all want to thank Paul and Sue McPhillips for hosting the social hour and meeting at their property.

Board members present: Paul McPhillips, Bud Taylor, Linda Clark, Michele Mayer, Paul Derby, Sue Herlihy and Margaret Wallace.

Abbreviated meeting opened at 7 pm by President Paul McPhillips.

Acceptance of minutes: Motion to accept 7/8/19 minutes made by Jackie Touba, seconded by Sue Herlihy and passed.

glenlake.org website: Paul M encouraged everyone to take a look at it. Contents include newsletters, membership meeting minutes, contact info and links to Facebook.

Environmental committee: Lake looks clear. **We all thanked Paul Derby and Margaret Wallace for the work they've done on aquatic plant management.**

Election: Because of only one candidate for each slot, membership secretary Linda Clark cast one ballot and the following slate was elected: Vice President-Bud Taylor, Recording Secretary-Michele Mayer, Treasurer-Ryan Windelspecht, Directors-Paul Derby and Bill Miller.

Membership report: Linda Clark said out of 308 households, 175 have responded with 302 members. Grand total collected so far this year (dues, lake maintenance, F Brenneisen memorial) is \$14,140.00. She passed out membership name list. Please contact your neighbors about joining if they aren't on the list. She also asked for email addresses. It can cost up to \$300 for a mailing. Email is cheaper and faster. **We all welcomed new residents and members Peggy and Dave Hodgson.**

New business: It was asked if anyone had suggestions for **keeping geese off lawns**. Dave Hodgson said you need to get them away in the Spring. Once they nest, there's a period of time they can't fly and thus can't go very far. He said on Chazy Lake a resident made a fence of short stakes with 3 rows of fishing line that was effective.

Motion to adjourn made by Terry Munk. Meeting adjourned at 7:11 pm.

Submitted by Michele Mayer, recording secretary
