

Glen Lake Protective Association

August 2019 Newsletter

For the price of having no Spring we are now being rewarded with wonderful Summer Weather. There is nothing better than Summer on Glen Lake.

The August Membership Meeting will be on August 12th at 6pm at Sue and Paul McPhillips house - 49 Birch Rd. Bring an Appetizer, Snack or Desert. Bring a chair. Bring your own favorite beverage. There is ample parking so drive down into the driveway and you will not be blocked if you wish to leave early so we don't over park on Birch Rd. There are two docks and if you don't mind stacked docking that can be done. Rain date - August 13.

Association Business at the Meeting - There will be a vote on the slate of Directors and Officers presented by the Nominating Committee at the July Meeting. Officers : Bud Taylor - VP, Ryan Windelspecht - Treasurer, Michele Mayer - Recording Secretary. Directors : William Miller and Paul Derby.

We hope everyone has noticed that the Treatment for Milfoil has been effective. Paul Derby and Margaret Wallace have worked very hard on this. Please check the Webpage - glenlakeny.org for news on the Diver Assisted Suction Harvesting (DASH) effort.

PLEASE PLEASE PLEASE - stay away from the Milfoil Buoys at the Inlet to the lake. One more PLEASE !

We are always hoping for more Members of the Glen Lake Protective Association to help us support the Lake. If you haven't joined yet it is not too late. If you have any questions about Membership ask our Membership Secretary - Linda Clark. She is at every meeting and her email is: Yglenlake@aol.com

At our **September Meeting** we hope to have a few Members discuss their experience installing a new Septic System. We are going to try to " Erase the fear ". Remember to have your septic tank pumped on a regular basis.

Safe Boating Everyone.

Respectfully,
Paul McPhillips , President GLPA
