

Check out our Early payment plan for the Cancer Program.

Questions: Markkembel@gmail.com Answers as quick as 24 hours online.

Get exclusive privilege's for paying now. It takes 5 months to develop the program. Please read our file on the website **Program Overview**. We are looking for a 2026 release of the Cancer Program. View our **Hospital Pitch deck** to get more technical information on the technology used.

Our Cancer program also has a file for viewing X-rays, MRIs and CT scans on a PC or Mac to detect any abnormalities or tumors. It will save time and help detect cancer sooner then waiting for results. This file will be available ASAP for early subscribers.

Payment of \$50,000 to be made out to: **Global Surgical AI Healthcare**

Address for payment: 12505 NE 116th Street, A35, Kirkland, WA 98034

Save for 4 years' worth of payments normally \$100,000 when it comes out to the public.

Please read the **Program Overview** file to see what exclusive deal you get.

Thank you for your time,

Mark Kembel

CEO Global Surgical AI Healthcare
