Welcome **Message**

Welcome to Sixteen:Eighteen Consulting. We're honored that you're exploring how to protect and strengthen your ministry. This booklet outlines who we are, what we offer, and how we serve churches with clarity, care, and Christ-centered excellence.

Our **Story**

After 15 years of ministry service, my wife and I sought God's direction for how best to serve His people. On September 4, 2025, after much prayer and a providential request from a long-time pastoral associate, the answer became clear: to establish a consulting practice that equips churches to thrive for generations.

Though we operate as a business, our ultimate aim is higher—that God would be pleased in all our dealings.

Case Study: **Third Macedonia Baptist Church**

Protecting a 130-Year Legacy Through Governance and Digital Renewal

In 2019, while operating under the name Blueprint Church Management, we were approached by Third Macedonia Baptist Church—a congregation with more than 130 years of history. Though rich in legacy, the church was operating under bylaws that had not been updated in over 50 years.

As a member-led church, their governance structure left both current, and former members still listed on the rolls, at risk of personal liability if the church were ever named in a lawsuit. After several prayerful meetings with the leadership, it became clear that a board-led governance model would provide the stability and protection the church needed. Together, we drafted a new constitution and bylaws, ensuring clarity, compliance, and security for generations to come.

We also guided Third Macedonia through a digital renewal:

- A new, modern website
- A church app, available on the Google Play Store and Apple App Store
- Online giving tools for members near and far

The church continues to thrive under its new structure, and its renewed digital presence has drawn the attention of other local church leaders.

Engagement **Invitation**

Pray With Us. Partner With Us.

We invite you to pray with us that God would continue to strengthen His church. If you feel led, let's begin a conversation about how we can serve your ministry.

“Make the most of every opportunity.” —Ephesians 5:16

It is our earnest prayer that God would use Sixteen:Eighteen Consulting in these final days to safeguard His churches from the rising pressures of a litigious society. We exist to help ministries remain free to grow, serve, and fulfill the Great Commission entrusted to them by Jesus Christ—without fear or distraction. Our desire is to provide pastors and leaders with the peace of mind they need to shepherd the flocks God has entrusted to them, with clarity, confidence, and spiritual covering.

“Be shepherds of God's flock that is under your care... not pursuing dishonest gain, but eager to serve.” —1 Peter 5:2
