RECYCLE YOUR ALUMINUM CANS FOR MEALS:

Help Us to Help Others! Your cans count by helping us to keep our meal cost down at the Center. The next time you take a drink from an aluminum can, don't throw it out, bag it and recycle. Spread the word to family members and business to collect and save their cans. Together we can make a difference. The recycling shed is just for aluminum cans recycling, only. This is found on the west end of the property. Thank you for your support.

NOTE FROM OUR DIRECTOR:

Happy New Year! Hope everyone had a wonderful Christmas. We are excited at the Center to announce that we have a NEW office assistant. Many of you may know her, Lila Beenblossom. We are happy to have her with use. She will be helping in the office and driving the van. She has quite a bit of computer knowledge, and we are in the process of looking at offering computer classes for our seniors down the road. Also, if you have been in the Center lately you may have noticed that we have a little construction going on. Our meeting room is beginning to take shape. We look forward to having that extra space for card parties and social gatherings. Again, a BIG THANK YOU to Roger Heidebrink for his help on this project. We had a successful Open Enrollment! During those sessions, many had questions about ads you see for Medicare Part C or also known as Medicare Advantage Plans. There is a lot of advertising for those plans and just a reminder that they depend on where you live what is offered. Dawson County has a few available. The Center is a good resource to call if you have any questions and we will try to answer them or get you to someone that can help. We are looking forward to adding some new things on our activities calendar this year so keep watching and again if you would like to see us do something or have a particular interest, give me a call.

Wishing you blessings in the New Year!

Susan Anderson
