A Plot Owner is any person or persons who is/are shown on the current Title Deeds as the Title Holder of a property situated on Delamere Park.

1.4 Tenants-

If a plot owner rents a property on Delamere Park to a Tenant the plot owner may at their sole discretion either retain the access rights to DPML facilities themselves or assign it to the tenant. In the latter case the plot owner would not have access to the facilities except as a guest (unless of course they own another property on Delamere Park)

1.5 Resident-

Residents include:

- Plot owners
- Anyone who resides with the plot owner in their property on Delamere Park
- Tenants who have been granted access rights by the landlord
- Anyone who resides with a Tenant with access rights

Tenants whose plot owner has retained access right are not classed as residents but may be signed in as guests.

1.6 Guest-

A Guest is any person not normally residing on Delamere Park who has been invited by a Resident to participate in the use of DPML facilities in accordance with these Bye-laws. Guest must be signed in using the electronic signing in system on the reception desk.

Once a guest is registered on the system they may enter the clubhouse and sign in using a PIN code at the reception desk even if not accompanied at the time by their resident sponsor. Guests may ONLY use their PIN code to enter for the specific group or activity for which they are registered. They may NOT use the PIN code at other times or for other activities.
