The StoreBerry Difference

Performance-Based Marketing

- We sell merchant's products for merchant on StoreBerry
- Social media marketing for your product to reach the widest audience & awareness
- StoreBerry provides:
 1. Content & creative creation
 2. Seeking out for shoppers
 3. Introducing & promoting product
 4. Manage customer service & enquiry
 5. Close the deal, complete the sales
 6. Follow up on previous enquiries
 7. Create hype to promote product to engage more successful deal

StoreBerry only gets revenue when we successfully close the sales.

StoreBerry

The marketer of your product, without salary and overhead cost
