CNF INCHARGE & DISTRICT PROJECT CORDINATOR

Subject - Final notice for termination due to not responding the call and work

Dear

Employees working for Kaimur district, Rakesh Kumar and Abhishek Kumar, were given information about block allotment twice through WhatsApp and called on September 3, 2022, and September 12, 2022, respectively, through written and oral mediums, as well as the survey report of cattle herders in the allotted block.

After making it and depositing it. Was said. But for the last 6 months, only online punch-in and punch-out are being done and the work is 0, due to this the company has stopped your salary.

The company does not have any information about whether you want to work; it is being contacted repeatedly through calls but your answer is unclear.

That's why the organization expels you for not doing your work. You have already broken all the terms and conditions of the joining letter but if you want to say something or give clarification then you are given time till March 2, 2023. You can give your explanation.

Date - 21 - FEB - 2023
Place - Patna, Bihar -01
