# About the Fort Hunt Warriors

The Fort Hunt Warriors Rugby Club is one of the premier youth rugby programs in the United States, fielding nationally ranked U18 and U16 teams and developing the next generation of American rugby talent. Our mission is to support our athletes today by funding the travel, equipment, training, and tournament expenses required to compete at the highest level.

## Our Program

- Develop strong young men who will become America's next generation of leaders.
- Build young rugby players who will have a lifetime love for the sport.
- Provide a safe, team-oriented program that strengthens our community.
- Strengthen the sport across the Washington, D.C. region
- Build a pathway to collegiate and professional rugby.

## Sponsorship Goal

We aim to raise \$100,000 to support:

- National tournament travel
- International tour expenses
- Equipment and training investments
- Transportation for regional and national competitions
- Scholarships for players with financial need

# Sponsorship Levels

Flexible packages to suit your budget

## Community Impact

This sponsorship program gives corporations, local businesses, and community supporters the opportunity to directly invest in youth development, education, and athletic excellence, while gaining visibility with one of the fastest-growing sports in the United States.
