

RICHMOND FLY WOMEN

MONTHLY NEWS LETTER

FEBRUARY, 2026

GALENTINES MEET UP

We had an incredible Galentine's day celebration at Orvis River Road! The evening was filled with great conversation, creativity, and community as more than 30 women joined us for a joy filled evening. We were thrilled to welcome so many new faces and even added a few new fly tiers to the mix!

Kensley led an excellent session on tying Woolly Buggers and Shad Darts in sparkly festive colors, helping our women anglers gear up for the spring season. Of course, it wouldn't be a Richmond Fly Women event without snacks, drinks, and sparkles. Cookies were enjoyed, pink wine was poured, glitter was shared, and heart-shaped sunglasses added to the fun atmosphere.

Thank you to everyone who came out and made the night special. we are looking forward to warmer days and cannot wait to fish with you all soon! Stay tuned to our instagram and website for upcoming events.

-Cheers RFW
