

~Making Lake City a vibrant place to live, work, play, and visit~

DLC's Board thanks you for your support over this past year. We have even bigger plans for this year; however, we need your help to make it happen!

Although DLC has limited financial resources, we are proud of our members' active, energetic and creative approaches to identifying issues and opportunities that support our mission statement. DLC has been an advocate for Lake City projects such as:

- Research and development of the future Wayfaring and Wayfinding signage in Lake City
- Improvement of Lake City's downtown business climate, parks and encourage public access
- Raised the necessary funds and erected the 'Ralph Samuelson Water Ski Monument' in Ohuta Park
- Annual clean and beautification of Lake City's waterfront/beaches with our 'Spring Beach Clean Up' event
- Explore and encourage the possibility of an Interpretive Centre and/or Community Center
- Mural support and funding
- Support local businesses and other organizations
- Act as a fiscal agent for young and new organizations/committees that seek 501(c)3 tax free status
- Provide volunteers for the Lake City Chamber and for other community events
- Work with elected officials (City, County, District, State) to secure desirable developments for Lake City and the surrounding area

DLC prides itself with forward thinking and action-oriented initiatives. Please continue to support DLC by renewing your membership or initiating a new membership today. Due to time constraints, we realize many members are not able to volunteer but we appreciate their financial support.

Your continued support is needed and welcomed in achieving an improved and vibrant Lake City. Please complete the application form below. Thank you!
