About AssureOne

North and Vale Advisory Limited (FSP1011622) trading as AssureOne is a Financial Advice Provider that holds a licence issued by the Financial Markets Authority (FMA) to provide financial advice services.

You can find us listed on the Financial Service Providers Register at www.fsp-register.companiesoffice.govt.nz.

Nature and Scope of the Advice

AssureOne provides advice to our clients about their personal Life, Risk and Medical Insurance. AssureOne provides personalised advice that takes into account your individual circumstances to determine the personal risk products that best meet your personal goals and needs.

We follow a documented advice process that uses your personal situation to work out what's important to you, what products you need and how much cover you should have in place. We'll then recommend the provider that offers the cover most suited to your stated preferences.

AssureOne works with the following providers:

- Chubb
- Fidelity Life
- NIB
- AIA
- Partner Life
- Accuro
- Unimed

This means that AssureOne will only consider the providers listed above when recommending a product to meet your personal risk & medical insurance needs. We will not provide advice on existing whole of life or endowment policies (if any), so you need to consult a specialist if you would like advice on these products.

We will not provide advice on existing whole [of life](#) or endowment policies (if any), so you need to [consult](#) a specialist if you would like advice on these products.

How are we paid?

AssureOne does not generally charge any upfront fees for the advice services. The insurer will pay AssureOne a commission once the policy is in force. The amount of the commission is based on the amount of premium.

We have a referral arrangement with the following providers:

- OrbitProtect
- New Zealand Funds Management Limited (NZ Funds)

We may receive commission from the above providers should you choose to proceed with a policy with OrbitProtect or invest funds with NZ Funds.

We may charge you a one-off fee if the following occurs:

You end up cancelling your policy within the first 24 months of the policy being put in force. Assure One reserves the right to charge you a fee for the time spent on the advice, research, analysis and administration. This fee is based on an hourly rate of \$250 plus GST and will be the lesser of the commission received or \$2000 plus GST (up to 8 hours of work).

From time-to-time product providers may also provide professional development, tickets to events, hampers or other benefits.

How we manage Conflicts of Interest and Benefits

We undergo annual training about how to manage conflicts of interest and maintain a register of conflicts and the gifts and benefits we may receive.

These registers are monitored regularly, and additional training is provided as required.

Whilst we are paid by the providers, we always put your interests first:

- We follow a proven 6-step advice process that puts our clients needs at the heart of the advice process

- We identify and disclose the maximum level of commission we may get as a result of putting a policy in place
- If our recommendation involves replacing cover, we will provide a comparison of covers and explain what the recommended provider offers that your existing cover does not. We will also let you know if there is anything your existing provider covers that the recommended provider will not.
- All our recommendations are provided in writing with an explanation as to how they are based on your individual needs
- AssureOne completes internal and external reviews of our advice process to ensure we follow a thorough review process that puts client interest first.
