

# Roatan – September 14-21, 2019

---

## Trip overview

Join Sharon and Tim Corcoran on a trip to Barefoot Cay on Roatan. Barefoot Cay Resort creates a feeling of calm and closeness with nature to a level few have experienced. Our luxury, boutique resort on the south shore of Roatan offers just 11 beautiful accommodations in a private setting with excellent service and modern amenities.

We have timed this trip to coincide with the moon cycle which may provide the opportunity to view a bio luminescence light show on a night dive. This is something which few divers have experienced.

- Understand the type of diving we will be doing - Most of our trips are for all levels of diver, but some will require more experience and training. We do our best to provide that information in our travel information session. If in doubt whether a trip is appropriate, please ask and we can review with you.
- Dive within your limitations - Some of the dives on the trip could be out of your comfort level. Never hesitate to let us and the divemasters know if you are not comfortable.
- We require that you abide by the PADI Safe Diving Practices which we will review with you - Safety is our number one priority when diving. We enforce the PADI Safe Diving Practices.
