## Trip overview

Join Shared Adventure Tours on a trip to Roatan, a destination we have been to many times. This trip will be led by Andy Huckabee. Anthony's Key Resort is tucked away on the Western Caribbean island of Roatan. This is a legendary tropical wonderland where palm trees dance in the breezy sea air, and pristine beaches rim turquoise waters. Here, "the resort that nature designed", features wooden bungalows perched above a tranquil lagoon offer breathtaking views and a sense of the complete disconnect from everyday life back home. For over 45 years, this family-run paradise has been home to travelers in search of unspoiled waters and pure adventure in all its forms. Experience the perfect blend of adventure and tranquility and see why so many of our guests return again and again. This is a great destination for all levels of divers, and all ages.
