## Trip overview

Join Gary and Alicia Weber on a summer trip to Cayman Brac. We will be staying at Cayman Brac Beach Resort, the sister resort to Little Cayman Beach Resort where we've stayed many times.

From their website: *Cayman Brac Beach Resort offers the finest accommodations and amenities on four and a half acres of beautiful milky-white beachfront property. Located on a private beach on the southwest end of Cayman Brac, Cayman Brac Beach Resort's architecture reflects the quaintness and charm of the Caribbean. Family-owned and operated, our Beach Resort boasts 40 spacious, and tastefully decorated beach view rooms*

*At Cayman Brac Beach Resort you will find yourself immersed in lush tropical foliage, swaying palms, amazing sunsets, starry midnight skies, and, of course, the serenity and natural beauty of the surrounding crystal blue Caribbean water. Whether you are looking for a place with superb Cayman diving, uncluttered beaches, or a place to relax in a tree-shaded hammock, you'll be amazed with all that Cayman Brac Beach Resort has to offer.*

*Experience the laid-back luxury of our tropical resort. Upon arrival, kick off your shoes, enjoy a cool rum punch, and bask in our island paradise painted with secluded beach vistas and hammocks sprinkled amidst sea grapes and coconut palms. Guests return often, not only for the tropical ambience, but also because of the warmth and service of our friendly, dedicated staff.*

## Trip Requirements

- All divers must be certified and have dive insurance such as DAN (Divers Alert Network)
- Divers must review our information regarding diving with Shared Adventure Tours.

## What you need to know before diving with us

- You must be in good health. If you have a condition which could require you to answer "yes" to any of the questions on the health form, you will need a Doctor's sign off. Medical Form
- Your gear must be serviced before you leave. Take your gear to a reputable shop to ensure it is in proper working condition. We cannot guarantee the resort will have the ability to service your gear if a problem is encountered.
- We strongly recommend that you understand how your dive computer operates. While we can help with many, we are not familiar with all. Make sure you bring the instruction manual.
- Refresh your skills - If it has been a while since you have been in the water, schedule a Scuba Review with a dive shop.
- Understand the type of diving we will be doing - Most of our trips are for all levels of diver, but some will require more experience and training. We do our best to provide that information in our travel information session. If in doubt whether a trip is appropriate, please ask and we can review with you.
- Dive within your limitations - Some of the dives on the trip could be out of your comfort level. Never hesitate to let us and the divemasters know if you are not comfortable.
- We require that you abide by the PADI Safe Diving Practices which we will review with you - Safety is our number one priority when diving. We enforce the PADI Safe Diving Practices.
- We enforce buddy diving - All divers must have a buddy and abide by buddy diving rules. Traveling single? No problem. Let us know if you need a buddy and we will make sure you have one.

*We partner with Aquatic World*
