- GMAW Carbon Steel to Pipe. Plates, & Shapes
- GTAW Stainless Steel, Tube, Plates, & Shapes
- NAVSEA S9074-AQ-GIB-010/248, Rev. 1: 2019
- Non-Destructive Testing NDT Level II VT PT MT
- IPC Specialist J-STD 001 Soldering Electronics
- IPC Specialist 7711/IPC-7721 Repair Electronics

Engineering: Mechanical and Electrical

- Mechanical and Electrical Engineering
- Licensed Professional Engineers
- Reverse Engineering of Obsolete Parts
- Rapid Design & Prototyping
- Drafting Design (AutoCAD/SolidWorks)
- Multisim Ultiboard
- Certified Project Management Professional (PMP)

Facilities & Equipment

- 5,780 sq ft Precision Fabrication Facility
- Welding (TIG/MIG/Stick/Spot Welding)
- Paint Booth - 20' x 7.5' x 8' Climate Ventilated
- 2 Curing Ovens & 1 Kiln
- Redline Media Blaster
- Quality Lab
- 5-Ton Bridge Crane with Twin Hoists
- Teledyne Tube Bender
- GMC Sheet Metal Roller
- Eastwood Plasma Cutter
- Mill Drill, Machine Drill Press, Hydraulic Press
- Press Brake

Fabrication, Repair & Maintenance

- Depot Repair Facility (DRF)
- Prototype Design Fabrication
- Tear Down & Evaluation (TD&E)
- Fully Contained Paint Booth
- Bead Blasting
- AWS Certified Welding Shop MIG/TIG
- Mobile Welding Capability
- Precision Tube Bending
- Electronics Lab
- Hydraulic & Hydrostatic Testing
- Electrical Cable Fabrication
- Riveting & Fastening
- Sheet Metal Fabrication

Acquisition & Procurement

- Commercial Off the Shelf (COTS)
- Custom Parts
- Spares Kitting, Inventory, & Shipping
- R&D Obsolescence Alternatives
- Supplier/Product Qualification

RESPONSIVE. DEDICATED. INNOVATIVE.
