In the event that no parent or legal guardian of the Rider can be reached, instructors, agents, and employees of SunCrest Farm are hereby released from all liability with respect to any accidents that might occur. I also understand that SunCrest Farm does not provide accident insurance.

Horseback riding is classified as RUGGED ADVENTURE RECREATIONAL SPORTS ACTIVITY, and there are numerous obvious and non-obvious inherent risks always present in such activity despite all safety precautions. Related injuries can be severe, requiring more hospital days and resulting in more lasting residual effects than injuries in other activities. No horse is a completely safe horse. Horses are 5 to 15 times larger, 20 to 40 times more powerful, and 3 to 4 times faster than a human. If a rider falls from horse to ground, it will generally be at a distance of from 3.5 to 5.5 feet, and the impact may result in injury to the rider. Horseback riding is the only sport where one much smaller, weaker predator animal—the human—tries to control and become one unit of movement with another much larger, stronger prey animal—the horse—with each having a limited understanding of the other. If a horse is frightened or provoked, it may divert from its training and act according to its natural survival instincts, which may include, but are not limited to: stopping short, changing direction or speed at will, shifting its weight from side to side, bucking, rearing, falling, biting, kicking, or running from what it perceives as danger.

I understand that SunCrest Farm is not responsible for total or partial acts, occurrences, or elements of nature that can scare a horse, cause it to fall, or react in some other unsafe way. Some examples are: thunder; lightning; rain; wind; wild and domestic animals, insects, reptiles, which may walk, run, or fly near, or bite or sting a horse or person; and irregular footing on out-of-door groomed or wild land that is subject to constant change in condition according to weather, temperature, and natural and man-made changes in landscape. The parent or legal guardian have inspected the instructional facilities and are satisfied that all premise conditions are reasonably safe for Rider's intended purpose, usage, and presence upon SunCrest Farm.

The undersigned acknowledges the inherent risks involved in riding and working around horses, which risks including bodily injury from using, riding, or being in close proximity to horses, among other risks, and further, that both horse and rider can be injured in normal use or in competition and schooling; and the risks involved in close proximity to bodies of water and the equipment used in fishing and swimming activities.

In consideration for the privilege of (1) riding and/or working around horses at SunCrest Farm, (2) participating in fishing and swimming activities, (3) participating in field trips to the lake, vet clinic and/or saddle shop (and transportation to and from such field trips), and (4) van service transportation, the undersigned does hereby agree to hold harmless and indemnify SunCrest Farm and further release them from any liability or responsibility for accident, damage, injury, or illness to the Rider, the undersigned, or to any family member or spectator accompanying the Rider on the premises of SunCrest Farm.

EFFECTIVE SEPTEMBER 1, 1995, UNDER TEXAS LAW (CHAPTER 87, CIVIL PRACTICE AND REMEDIES CODE), AN EQUINE PROFESSIONAL IS NOT LIABLE FOR AN INJURY TO OR THE DEATH OF A PARTICIPANT OR EQUINE IN EQUINE ACTIVITIES RESULTING FROM THE INHERENT RISKS OF EQUINE ACTIVITIES.

MY SIGNATURE BELOW ACKNOWLEDGES THE RISKS AND THE FULL RELEASE OF LIABILITY TO SUNCREST FARM, ITS OWNER(S), STAFF, EMPLOYEES, MANAGEMENT, AGENTS, AND/OR REPRESENTATIVES.
