For our patients:

We are moving to 127 Fairfax Ave., Louisville, KY 40207. Fairfax Ave. intersects with Shelbyville Rd. across from Trinity High School.

There is on-street parking on both sides of Fairfax in front of our office and additional parking in a lot behind the building. The entry to our parking lot is accessible by an alley and is marked by a Joint Endeavors sign attached to the fence. For patients with significant mobility issues, there is a ramp that extends from the front of the lot to our front door.

Please bring your insurance card(s), your new patient forms completed in full, a photo ID and any pertinent records with you to your visit.
