REPUBLIC DAY 26th JANUARY

India is celebrating its 73rd Republic Day on 26th Jan 2023, to mark the date when the constitution of India came into effect on January 26, 1950. The day is observed as a national holiday and is celebrated every year with great fervor across the nation.

Although India got its independence on August 15, 1947, the country declared itself a sovereign republic on January 26, 1950. The Republic day is celebrated every year with flag hoisting at the Government offices, corporate houses, public recreational centres, Schools, Colleges all over India. At the Capital grand parade at Rajpath is organized. This year the parade will feature 17 military bands, 16 marching contingents, and 25 tableaux of several states, Union Territories (UTs), armed forces and departments.

We too ,members of Prestigious Lions club of Bandra Khar, will be celebrating our Republic day at Joggers park along with senior citizens group where street children will be given snacks and juice packets.

Celebrations of republic day reminds us of our Indepence & we must rejoice it.
