**What in the world
is an AI ToSA?**

iMessage
Tue, Aug 13 at 3:44 PM

Hey, where are you at now?
We'll miss you!

Hi Ed! I am planning to send
an email to THS. I miss you
guys too. I am working in
Saddleback with Al.

Delivered

Who's AL?

HA

JK. All the best

Dr. Brandee Ramirez

K-12 Experience

- 24 Years in Education
- K-2 Teacher
- Technology Coach
- MS/HS Teacher
- 5 CTE Credentials

Leadership Roles

- Entrepreneur High School
- HS Intervention/Credit Recovery
- ELD Program
- CLA-OC Initiatives

Recognition

- 2013 Teacher of the Year
- 2025 AI Innovator at ASU-GSV
- CES Panel 2020
- ISTE, CUE and Asia Society Global

AI Leadership

- AI Specialist/TOSA/Inclusive Practices
- Tech Forward Task Force [TF2]
- AI Strategy for K-12 School District

Universal Design for Learning

- Support diverse learning needs
- ELL and Special Education Students

Accessibility Standards

- Mandating compatibility with assistive technologies
- Translation features
- Accessibility requirements for all AI implementations

Community Voice

- Actively seeking input from diverse students, parents, and community members
- Ensure AI implementation meets the needs of all stakeholders

Plan & Vision

Building AI Literacy Across the Ecosystem

“Everyone in the system needs to understand AI, not just IT.”

Artificial Intelligence

By focusing on **equitable**, **intentional**, and **engaging** practices which provide opportunities for each and every student to be successful.

AI Literacy

AI literacy refers to the ability to *understand, use, monitor, and critically reflect* on AI applications, empowering individuals to **interact competently and ethically** with AI technologies.

Development and Research

Researched policies and guidelines

Created guidelines based on current best practices

Surveyed entire district personal

Focused on SVUSD initiative and OCDE recommendations

Awareness

Developed a broad understanding across all stakeholders

Met with every MS/HS Administrator/Site

Teachers, Students, PTA, Staff, Superintendent Advisory, Office Managers, Human Resources, Parents

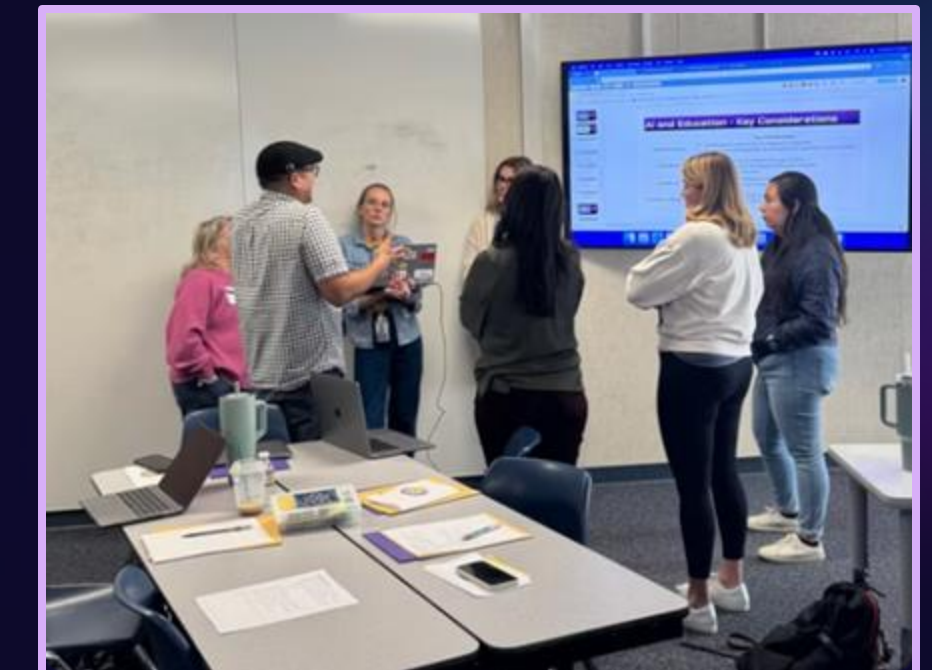

Training and Integration

Provided professional development opportunities

Implemented a variety of purposeful AI tools

Attended local consortiums and trainings

Measurement

Currently focused on assessing impact and refining approach

Recognizing that one tool doesn't equal AI integration

Guidelines & Policy

Ethical Frameworks & Real-World

“Who decides, and how?” “How are we protecting students and their data?”

SVUSD AI Guidelines

SVUSD connects with the utilization of AI tools to support equitable, intentional and engaging classroom instruction.

RESPONSIBLE USE

- Use AI tools responsibly for instruction and learning.
- Review AI inputs and outputs to ensure accuracy and appropriateness.
- Understand the potential and limitations of AI.

PRIVACY AND SAFETY

- Maintain a safe learning environment.
- Refrain from inputting personal information about self or others.
- Support existing SVUSD policies on student data, privacy and safety.

ACADEMIC INTEGRITY

- Cite all AI sources, systems, and content generated by AI.
- Allow the use of AI to support learning and provide expectations prior to use.
- SVUSD supports feedback and revision over using AI detection tools for grading or authenticity.

PROFESSIONAL LEARNING

- SVUSD will collaborate with AI consortiums to provide K-12 teachers, students, and staff with learning opportunities for appropriate and ethical use of AI tools to support effective implementation.

AGE REQUIREMENTS

- Under 13 Students may not create AI user accounts.
- Ages 13-17 Students may create AI user accounts with parent/guardian consent.
- 18+ Students may create AI user accounts. No Parental/Guardian consent required.

IMPLEMENTATION GOALS

- Use AI tools to enhance instruction.
- Engage in professional learning that supports the integration of AI tools in the classroom and Universal Design for Learning.
- Support educational and academic guidelines and policies.

Frameworks, Policy and Guidelines

Age Guidelines for AI Use

*Students **may not** create AI user accounts

*Students **may create** AI user accounts with Parent/Guardian permission.

Students **may create** AI user accounts.

Next Steps

AI in Education-Lead with Purpose

“It’s not about tools—it’s about transformation.”

Lead with Purpose

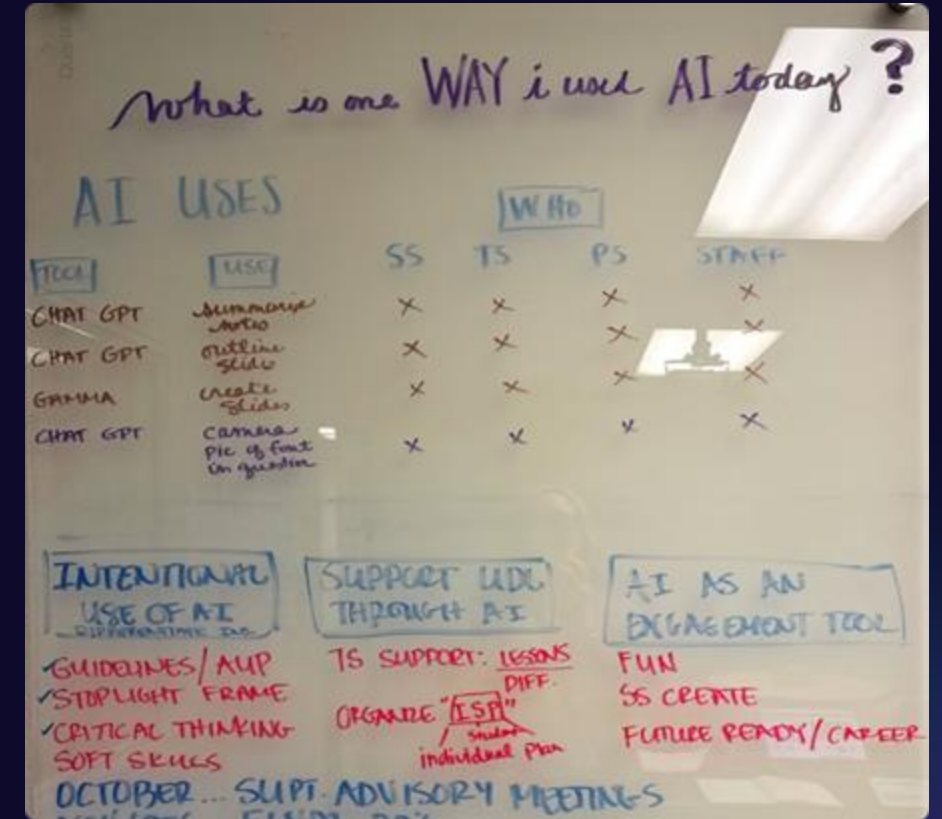

Instructional Shift

AI isn't a trend—it's an essential force transforming how we teach, learn, and prepare every student for the future.

Educational Right

Equity, inclusion, and AI literacy for all—no matter the background, with intention and integrity.

Stakeholder Impact

Purposeful, system-wide planning to empower every stakeholder and shape the future of education.

Thank You!
