VOLUME 17, ISSUE 5    MAY 2021

## PASTOR'S PEN

I WANT to hear from YOU! As you read this article, we will have officially been dealing with the effects of the Covid-19 pandemic for more than a year. It has disrupted our lives in many different ways: some constructive, some destructive.

In engineering, there's a thing called a "hydrostatic stress test," where they take pipes or fuel tanks or ship parts or whatever and they pump tons of water into them. The intense pressure from the water then exposes leaks and weaknesses in the structure, showing the engineers where the vulnerabilities are.

I believe that COVID-19 has been a kind of hydrostatic stress test for each place and each person around the world. Each system's weakness has been revealed. Countries overburdened with regulations have been punished for their overregulation. Countries that have a penchant for authoritarian and/or incompetent leaders have had those leaders exposed. And countries that have factious, distrustful cultures have paid the price for their factious, distrustful cultures.

This stress test has occurred within our individual lives, as well. Couples that had been burying their problems for years quickly had them exposed. Weak and opportunistic friendships got washed out. Fragile careers were broken. Miserable lifestyles replaced. Bad TV shows deleted.

But the stress test of hardship doesn't just expose weakness, it also reinforces strength. Good relationships become better. Important decisions get made. Priorities get straightened out.

One of my priorities is how to maintain communication and how to stay connected over this past year. This past year has brought many different ideas of implementation to stay connected to you all. As I prayed and engaged in conversation, I had an epiphany! **A weekly email!** The idea could not be simpler; **Starting in June, I plan to write a weekly email consisting of a story of faith, a head's up for events in the week and some prayer concerns. I WANT YOU to send me ([pastor.immanuelnorwood@gmail.com](mailto:pastor.immanuelnorwood@gmail.com)) your email address!** I will not be selling, giving away, or using your email for any other purpose besides my weekly email. Your email will be used by me only. Please join me as we share our stories of faith as well as to seek ways to stay connected with our larger community.

Peace and Blessings, Pastor Lee

**Immanuel is opening its doors once again for in person worship beginning May 9, 2021.** We will still practice safe distancing and wearing of masks. For those who may still be uncomfortable in attending in person, we plan to continue our Facebook Live broadcast of the service. See reopening information on page 6 of this newsletter.

**Staying in Touch** - Some of our members still rely entirely on written communication from Immanuel, and cannot access our electronic worship opportunities. Some of the same members may have health reasons that will prevent them from returning to church once we do open. The Outreach Committee would like to mail out the bulletin and sermon notes after each week's service to anyone who relies only on printed communication from Immanuel. Is this you? Call the church office and let Vi know that you want to receive a weekly mailing. You can call and stop the mailings whenever you choose!

## A Blessed Pentecost to All!

We are already in the fifth month of 2021 and will in all likelihood be well into May by the time you receive this!! We all hope and pray that the COVID vaccine distribution has continued to expand and more shots are getting into arms of those from Immanuel (and the Nation)! We all look forward to getting back to seeing each other in person in church again, once it is safe.

With May comes Pentecost which is celebrated 7 weeks after Easter, this year falling on May 23<sup>rd</sup>. Pentecost celebrates the day the Holy Spirit descended on the apostles in what seemed like tongues of fire causing them to speak in tongues. Every believer has received the Holy Spirit. If Jesus is the vine and we are the branches, then the Spirit is the sap equipping us for the Christian Life.

Your gifts to Immanuel (Time, Talents and Treasures) equip our Church to fulfill our mission much like sap brings life to a vine, yes even during these unique and challenging COVID times. We have seen variability in our regular offerings as 2021 is playing out, but thankfully as we moved through the Easter season we had an improvement and saw some more people “catching up” which really helped. We hope and pray by the time this reaches you that the trend continues. We ask all to prayerfully consider your support of Immanuel as we celebrate Pentecost!

**Let's do our best to provide generous support so we can continue our Mission doing God's Work the best we can virtually for now (and keep using Face Masks, Social distancing, washing of hands, following CDC guidelines and seeking a vaccine when it is your turn!) until it is safe to meet again in person.**

Once again, Thank you!

Sincerely, Your Resource Committee

Jeanne Warner & Karl McClellan (Co-chairs) + Fran Fisher, & Peg Martinsen.

## Social Ministry Committee

Social Ministry wishes all the women a Very Happy Mother's Day. Carnations will be distributed during church however, there will be not treat after service due to COVID. We hope everyone is healthy, happy and enjoying this beautiful spring weather. Happy Mother's Day! Blessings to you all!

### Little Free Pantry

Our Pantry is installed and stocked! Thank you to our member volunteers! Siobhan and Jason DeLong and Siobhan's father, Jack Gallagher constructed the box. Piee and Bill Fagan along with Joyce Morrison painted the box. On Saturday, April 10, a group of members installed the box along the walkway to Chester Pike. Installation was planned and guided by Fred Warner, with the willing hands of Frank Martinsen, Bill and Piee Fagan, Colleen Kelly, and Joyce Morrison.

The guidelines are for anyone to “take what you need and leave what you can”. The Outreach Committee welcomes members and our neighbors to use the box. We have decided to place only cans or jars in the pantry until we evaluate how weather and/or wildlife might affect the box. If you want to add items to the box, and find that it is too full, items can be dropped off at the church Monday – Friday, 9:00 – 1:00. Ring the doorbell and let Vi Mayberry (secretary) know that you want to drop off pantry items. She will buzz the door open, and you can place items just inside the door to the left. A member of the committee will store them in the food closet. If those times are not convenient, call or text Joyce Morrison 610-506-5387. Arrangements will be made to meet you at the church. Other questions – call Joyce.

The Holy Spirit, in fulfilling prophecies of both Jesus and John the Baptist, descended in a unique way upon all the believers, giving them power for service; the outpouring of the Holy Spirit began the church age; the disciples were both baptized and filled with the Holy Spirit; the sign of speaking in unknown languages was given to the disciples as evidence of the arrival of the Holy Spirit; and finally, on this birthday of the church when the Holy Spirit descended upon all the believers, Peter preached the first sermon of the church age and three thousand people were converted.

### Acts 2:1-4

Now when the Day of Pentecost had fully come, they were all with one accord in one place. And suddenly there came a sound from heaven, as of a rushing mighty wind, and it filled the whole house where they were sitting. Then there appeared to them divided tongues, as of fire, and *one* sat upon each of them. And they were all filled with the Holy Spirit and began to speak with other tongues, as the Spirit gave them utterance.
