## PASTOR'S PEN

Have you ever received an unexpected invitation to a party? You weren't expecting to be invited to such an event. You didn't realize that the host would want you there. Such invitations come as a surprise and a gift.

We read in the book of Acts of the Holy Spirit's invitation to Gentiles. You see, in the early church people thought you had to be a member of the Jewish community first before you could follow Jesus. After all, Jesus' closest disciples were Jewish. How else would someone understand the traditions, customs, and the Hebrew Scriptures without first becoming a member of the Jewish community? Surely one had to be circumcised first before they could belong to the community. Only then would they be considered worthy and prepared enough to receive baptism. As fate would have it, the Holy Spirit didn't seem to care much about our human rules and traditions of who is in and who is out. Instead, the Holy Spirit fell upon all who heard the word (10:44). It didn't matter if they were circumcised or not!

Of course, this was a scandal to those who had grown up with the traditions and the customs of circumcised believers. How is it that the Holy Spirit could call into their community those who had not been a part of the community from birth? Shouldn't there be some sort of test or requirement (circumcision or otherwise) that Gentiles should achieve before being baptized into the church? In many ways the church today is just as surprised by the power of the Holy Spirit inviting those to come be a part of the church who we would have otherwise not put on our invite list. We prefer to welcome people who are related to us in some

way through blood relation or marriage. One church I knew of in the Poconos treated evangelism as getting their kids and grandkids to come to church. They had no interest in the surrounding neighborhood that didn't look like them or talk like them. What's even worse is that they had names for "those people" who they felt didn't belong in their church. Whenever one of those people would visit their church, they were sure to whisper about them and ignore them. Surely God didn't want THOSE people in THEIR church.

We read throughout the New Testament of instances where the Holy Spirit seems to ignore OUR boundaries, rules, and expectations and instead extends the invitation of God to unlikely people: the poor, the blind, people with skin diseases, eunuchs, prostitutes and "even to Gentiles!" Through baptism the Holy Spirit calls us into this unusual and somewhat scandalous fellowship of Christ's disciples. Even we too are invited.

May this summer bring you to many new places and meet many new people! ~ Pr. Lee

### Celebrate Diversity with Fun, Games and Food

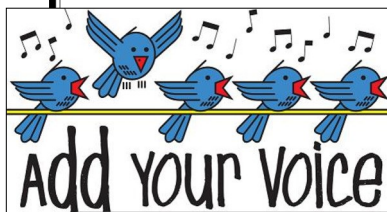

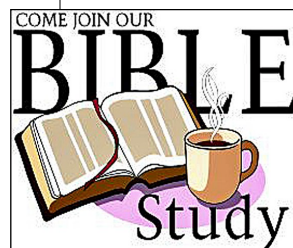

After our 11:00 am worship service on June 26, we will celebrate our congregation as a welcoming place for all! Immanuel will celebrate our anniversary as a Reconciling in Christ congregation. Immanuel Lutheran Church, Norwood, commits to celebrating the love of God with ALL people as we are all made in God's image. Whatever your abilities, gender identity, sexual orientation, relationship status, race, culture, faith tradition or economic circumstance; whatever your past or present – you are welcome to share in God's love and our community.

At our Immanuel family picnic, we will have outdoor games such as corn hole and ladder golf to name a few. We will grill dogs and burgers and have potluck side dishes and dessert. We have sign-up sheets in the hospitality area for side dishes, games, and volunteers to help us with the celebration. Don't worry about the weather, we'll move indoors if necessary.

Our 7:00 PM Tuesday night **Zoom Bible study** will be taking the summer off, once we finish our current book in early June. We will start back up a week or so after Labor Day. Please see the September newsletter for details. We sure hope you'll join us! Those who have been attending are really enjoying the "Life Guide" books we use and the excellent discussions we have. We'd love to have more come on board to share our 1 hour per week session as we work to learn more about our Bible.

If you have question please contact Karl McClellan or Fred Warner, Co-Leaders

### Outreach Committee Backpack & Essential School Supplies Drive!

Outreach Committee is again sponsoring a school supply collection. Please drop off any new school supplies at the designated box in the hospitality area. Please place your donations there by the end of July so that we may give them to groups that are preparing backpacks to give away. Remember that school children range from Kindergarten to 12th grade! Watch for sales! Thank you for being generous.

If you are interested in helping the **Property Committee** with the grass cutting and cleaning up around the church please touch base with either Frank Martinsen or Fred Warner.

Help is always **GREATLY** appreciated.

Immanuel is excited to have VBS this year the week of Aug 8<sup>th</sup>-12<sup>th</sup>. However, we need your help to make this happen. We still need some people to make this happen. Can you help? Of course you can!

Here is where we need your help:

- ◆ 4-5 volunteers to lead individual class to a station (easy peasy)
- ◆ 1 volunteer to lead Bible Story Time
- ◆ Possibly a Games Leader or a Science Leader

This is such a rewarding experience to reach out to the children and families in our community. We are one of the few who are still able to hold VBS during the day.

Unfortunately, if we do not get the volunteers needed, we will not be able to have VBS this year and that would be a great disappointment. The children in the community need this! On faith we are praying for Volunteers to make VBS happen this year. (*Background checks may be necessary.*)

Please see Pastor Scott or Jeanne Warner to sign up. We can do this!

## Summer Starts in June!

In the month of June we will experience the longest day of the year on the 21<sup>st</sup>. (By the longest day we mean the longest period of sunlight hours). It is the start of summer! Every time there is a change of season it gives us reason to reflect on the Almighty and this wonderful Earth he has given us. Speaking of gifts, we can't ever forget that GOD gave his SON to suffer and die for our sins. GOD is lovingly, radically, abundantly and over the top with his generosity toward us. HE GIVES US ETERNAL LIFE!! As the seasons change please take time to reflect on how are you responding to that gift?

With summer also comes vacation time for many. For churches summer time can also be time for “the summer Slump” when it comes to giving. We would ask that you do your best to stay current with your giving through the summer.

2022 has been challenging thus far trying to balance our costs versus giving. Many of our costs have gone up just like in your home. Your Resource committee will be starting a campaign in June to try and help with one of our biggest cost items: Heating Oil. Now you might say we don't use oil in the summer? But we are on an 11 month budget plan so the bills keep rolling in. Watch for details in the bulletin about how you can help. We will be asking everyone to consider *giving in addition to your normal offering* to help us with this BIG cost.

Speaking of giving, for those receiving the newsletter by email and those doing church virtually, we have **3 EASY and VIRTUAL ways for you to DONATE to IMMANUEL**. You will see on our Website and on our Facebook page, “links” which you can click and make a secure donation. And in the weekly BULLETIN + this Newsletter, is a QR code which you can scan with your smart phone:

If you have any questions or suggestions on our virtual ways to give, please see Karl McClellan (in person) or call him 610-761-4804 or email him at: [krmcfamily@aol.com](mailto:krmcfamily@aol.com)  
All your gifts to Immanuel (*Time, Talents .....and Treasures*) equip our Church to fulfill our mission.

By the way, **if you are a Thrivent member please consider using their “Thrivent Choice”** program which allows members to direct some funds to their church for eligible topics. We are grateful that at least one family did this so far and we saw some much needed funds come in. Thank you! If you are a member and did not yet please do!

**Please do your best to provide generous support so we can continue our Mission doing God’s Work!**

*Thank you, Your Resource Committee: Jeanne Warner & Karl McClellan (Co-chairs)  
+ Sandy Hendrick & Peg Martinsen.*

**Plan Pray Give Build**

The Holy Spirit, in fulfilling prophecies of both Jesus and John the Baptist, descended in a unique way upon all the believers, giving them power for service; the outpouring of the Holy Spirit began the church age; the disciples were both baptized and filled with the Holy Spirit; the sign of speaking in unknown languages was given to the disciples as evidence of the arrival of the Holy Spirit; and finally, on this birthday of the church when the Holy Spirit descended upon all the believers, Peter preached the first sermon of the church age and three thousand people were converted.

#### **Acts 2:1-4**

Now when the Day of Pentecost had fully come, they were all with one accord in one place. And suddenly there came a sound from heaven, as of a rushing mighty wind, and it filled the whole house where they were sitting. Then there appeared to them divided tongues, as of fire, and *one* sat upon each of them. And they were all filled with the Holy Spirit and began to speak with other tongues, as the Spirit gave them utterance.
