**What Is an A.A. Group?**

"Any two or three alcoholics gathered together for sobriety may call themselves an A.A. group, provided that, as a group, they have no other affiliation."  
 "Some A.A.s come together as specialized A.A. groups — for men, women, young people, doctors, gays and others. If the members are all alcoholics, and if they open the door to all alcoholics who seek help, regardless of profession, gender or other distinction, and meet all the other aspects defining an A.A. group, they may call themselves an A.A. group."  
**Is There a Difference Between a Meeting and a Group?**  
 "... some A.A. members hold A.A. meetings that differ from the common understanding of a group. These members simply gather at a set time and place for a meeting, perhaps for convenience or other special situations. The main difference between meetings and groups is that A.A. groups generally continue to exist outside the prescribed meeting hours, ready to provide Twelfth Step help when needed."  
 "A.A. groups are encouraged to get listed with G.S.O., as well as with their local offices: area, district, intergroup or central office.  
 A.A. meetings can be listed in local meeting lists."  
**The Difference Between Open and Closed A.A. Meetings**  
 "Closed meetings are for A.A. members only, or for those who have a drinking problem and "have a desire to stop drinking."  
 Open meetings are available to anyone interested in Alcoholics Anonymous "program of recovery from alcoholism. Nonalcoholics may attend open meet- ings as observers."  
 ~ Pages 12 & 13 of The A.A. Group Pamphlet
