THE 12 STEPS IN THE 1ST LEGACY OF "RECOVERY"

- 1. We admitted we were powerless over alcohol - that our lives had become unmanageable. **2**. Came to believe that a Power greater than
- ourselves could restore us to sanity. 3. Made a decision to turn our will and our lives over to the care of God as we understood Him.
- **4**. Made a searching and fearless moral inventory of ourselves.
- **5**. Admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
- 6. Were entirely ready to have God remove all these defects of character.
- 7 Humbly asked Him to remove our shortcomings
- 8. Made a list of all persons we had harmed, and became willing to make amends to them all
- **9**. Made direct amends to such people wherever possible, except when to do so would injure them or others.
- **10**. Continued to take personal inventory and when we were wrong promptly admitted it.
- **11**. Sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out. 12. Having had a spiritual awakening
- as the result of these steps, we tried to carry this message to alcoholics, and to practice these principles in all our affairs.

SERENITY PRAYER God grant me the serenity To accept the things I cannot change, The courage to change the things I can. And the wisdom to know the difference.

THE 12 TRADITIONS **IN THE 2ND LEGACY OF "UNITY"**

1. Our common welfare should come first; personal recovery depends upon A.A. unity. 2. For our group purpose there is but one ultimate authority – a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.

- 4. Each group should be autonomous except in matters affecting other groups or A.A. as a whole.
- **5**. Each group has but one primary purpose to carry its message to the alcoholic who still suffers.
- 6. An A.A. group ought never endorse, finance or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property and prestige divert us from our primary purpose.
- 7. Every A.A. group ought to be fully self supporting, declining outside contributions.
- 8. Alcoholics Anonymous should remain for- ever nonprofessional, but our service centers may employ special workers.
- 9. A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve. **10**. Alcoholics Anonymous has no opinion on
- outside issues; hence the A.A. name ought never be drawn into public controversy. 11. Our public relations policy is based on attraction rather than promotion;

we need always maintain personal anonymity

to keep our fellowship united.

A.A. world services should always reside in the collective conscience of our whole Fellowship. II. The General Service Conference of A.A. has become, for nearly every practical purpose, the active voice and the effective conscience of our whole Society in its world affairs.

- III. To insure effective leadership, we should endow each element of A.A. – the Conference, the General Service Board and it's service corporations, staffs, committees, and executives – with a traditional "Right of Decision."
- IV. At all responsible levels, we ought to maintain a traditional "Right of Participation," allowing a voting representation in reasonable proportion to the responsibility that each must discharge.
- V. Throughout our structure, a traditional "Right of Appeal" ought to prevail, so that minority opinion will be heard and personal arievances receive careful consideration.
- **VI**. The Conference recognizes that the chief initiative and active responsibility in most world service matters should be exercised by the trustee members of the Conference acting as the General Service Board.
- VII. The Charter and Bylaws of the General Service Board are legal instruments, empowering the trustees to manage and conduct world service affairs
- The Conference Charter is not a legal document; it relies upon tradition and the A.Ă. purse for final effectiveness. **VIII**. The trustees are the principal planners and
- administrators of overall policy and finance. They have custodial oversight of the separately incorporated and constantly active services. exercising this through their ability to elect all the directors of these entities. **IX**. Good service leadership at all levels is
- indispensable for our future functioning and safety. Primary world service leadership, once exercised by the founders. must necessarily be assumed by the trustees.

I am responsible... When anyone, anywhere, reaches out for help, I want the hand of A.A. always to be there. And for that: I am responsible.

Continued.

X. Every service responsibility should be matched by an equal service authority, with the scope of such authority well defined.

XI. The trustees should always have the best possible committees, corporate service directors, executives, staffs, and consultants. Composition, qualifications, induction procedures, and rights and duties will always be matters of serious concern.

XII. The Conference shall observe the spirit of A.A. tradition, taking care that it never becomes the seat of perilous wealth or power; that sufficient operating funds and reserve be its prudent financial principle: that it place none of its members in a position of unqualified authority over others; that it reach all important decisions by discussion, vote, and, whenever possible, by substantial unanimity; that its actions never be personally punitive nor an incitement to public controversy; that it never perform acts of government, and that, like the Society it serves, it will always remain democratic in thought and action.

SAFETY CARD FOR A.A. GROUPS

The General Service Office has made this optional card available as an A.A. service piece for in-person/online groups tha wish to use it. Please feel free to utilize, choose a section(s) or adapt the text to your group's needs.

Tradition Five states: Each group has but one primary purpose – to carry its message to the alcoholic who still suffers.

Any person seeking help with a drinking problem is welcome at this group. No A.A. entity determines ar individual's membership in Alcoholics Anonymous. It is this group's conscience that if any person endangers another individual or disrupts the group's efforts to carry A.A.'s message, the group may ask that person to leave the meeting.

This group strives to safeguard the anonymity of A.A. members and attendees; however, keep in mind that anonymity in A.A. is not a cloak for unsafe and illegal behavior. Addressing such behavior and/or contacting the proper authorities when appropriate, does not go against any A.A. Traditions and is mean to ensure the safety of all in attendance.

The short form of Tradition One states: "Our common welfare should come first; personal recovery depends upon A.A. unity." Recognizing the importance of group unity, our group wishes to create a safe meeting environment in which alcoholics can focus on achieving sobriety.

Additional Sharing: (back side of the safety card)

- Safety is a topic within A.A. that groups and members can address. Developing workable solutions to help keep meetings safe can be based on the principles of A.A. In discussions about safety, keep the focus on our primary purpose, our common welfare, and placing principles before personalities.
- Predatory behaviors and unwanted sexual advances are in conflict with carrying the A.A. message of recovery and with A.A. principles.
- A.A. does not provide medical advice or detox services; it has no opinion on outside issues, including medication. Medical advice should come from a qualified physician.
- The only requirement for A.A. membership is a desire to stop drinking. Groups and members strive to create a safe environment for the alcoholic who still suffers.
- If safety concerns arise, individuals can speak with a sponsor, members of the group, a trusted friend and/or a professional to address the concern.
- Service entities, such as areas, districts and intergroup/central offices, are available to help provide A.A. services and shared experience. All groups and entities in A.A. are autonomous. There is no government within A.A. and no central authority to control or direct its members, but we do share our experience, strength and hope.

SELF-SUPPORT

The Seventh Tradition states that Alcoholics Anonymous is self-supporting through our own contributions The contributions help to cover the group's expenses.

But the Seventh Tradition is more than simply paying for rent and other group expenses.

It is both a privilege and a responsibility of individual groups and members to ensure that our organization, at every level, remains forever self-supporting and free of outside influences that might divert us from our primary purpose.

The monetary amount of each contribution is secondary to the spiritual connection that joins us in unity with A.A. groups around the world.

THIS IS AN OPEN MEETING OF ALCOHOLICS ANONYMOUS

This is an open meeting of Alcoholics Anonymous. We are glad you are all here – especially newcomers. In keeping with our singleness of purpose and our Third Tradition which states that "The only requirement for A.A. member-ship is a desire to stop drinking," we ask that all who participate confine their discussion to their problems with alcohol.

THIS IS A CLOSED MEETING OF ALCOHOLICS ANONYMOUS

This is a closed meeting of Alcoholics Anonymous. In support of A.A.'s singleness of purpose, attendance at closed meetings is limited to persons who have a desire to stop drinking. If you think you have a problem with alcohol, you are welcome to attend this meeting. We ask that when discussing our problems, we confine ourselves to those problems as they relate to alcoholism

> (The 1987 General Service Conference made this statement available as an A.A. service piece for those groups who wish to use it.)

There are no dues or fees for A.A. membership; we are self-supporting through our own contributions A.A. is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes.
