ACCEPTANCE

Acceptance is the answer to all my problems today.
 When I am disturbed, it is because I find some person, place, thing or situation – some fact of my life – unacceptable to me, and I can find no serenity until I accept that person, place, thing or situation as being exactly the way it is supposed to be at this moment.
 Nothing, absolutely nothing happens in God's world by mistake. Until I accept myself, my situation and my life completely on life's terms, I cannot be happy.
 I need to concentrate not so much on what happens in the world as on what needs to be changed in me and in my attitudes!
