

The Arts in Downtown Zanesville

Join us for the February First Friday ArtWalk, February 6th from 5pm - 8pm.

Artist Spotlight: Tim Collins

We're excited to celebrate Artist of the Month Tim Collins during First Friday! His artwork will be featured at the Y Bridge Cultural Art Center, located at 8 Main Street.

Y Bridge Cultural Art Center

We are honored to serve as the featured art location for February. Our center is home to seven artists with studios: Kilty Beninacasa, Tim Collins, Koen Vrij, Debbie Haines, Jessica Rohr, Laura May, Dale Hague, and Bob Grayson.

In addition, we feature two art collectives showcasing the work of 14 local artists. As the home of History Meets the Arts, our space also includes artwork and photography representing 50 original churches from our county and the Historic Putnam neighborhood.

Join us at 8 Main Street each Saturday and on First Fridays.

We are proud to feature Tim Collins as our Artist of the Month.

3AAP Art Gallery featuring...

Diana Wilson

Diana Wilson has been creating art for as long as she can remember, inspired by her childhood spent on her family's farm surrounded by nature. Encouraged by a supportive art teacher, she found her voice through drawing, writing, and self-expression. For Diana, art is both therapy and storytelling, allowing her to transform emotion into meaningful work. She continues to explore art and photography and is currently working on her first book.

Shelby Spilker

Shelby Spilker grew up immersed in creativity, influenced by her wood-carving grandfather and a family rooted in the local art community. Working primarily in pyrography and collage, her nature-inspired pieces often incorporate watercolor, ink, gold leaf, and found natural elements. Shelby's work reflects her love of the outdoors and her hands-on approach to creating textured, organic art.
