ZAAP

It is ZAAP's annual tradition to take the first month of each year to welcome all of their new artist sign ups from the previous year and put them on display. This month they will be featuring pieces from a selection of the new artists that joined the gallery over 2024.

ZAAP's New Member show is a great way for new artists to participate in their first feature show and network with other members of the art community. With an eclectic mix of mediums and styles, the New Member gallery show is a great opportunity for First Friday attendees to find pieces they love from emerging local artists.

Over 2024 ZAAP signed on thirty-two new members so this show is sure to feature an exciting array of pieces to behold. ZAAP invites the community out to help celebrate all of their new artists and welcome them into the gallery!
