

THE ARTS IN DOWNTOWN ZANESVILLE

Join us for the May First Friday ArtWalk,
May 5th from 5pm - 8pm.

ARTIST OF THE MONTH

Rick Roll

Rick Roll, ceramics artist, discovered his love for clay just one year ago. Mark and Julie Goodall asked Rick to create a ceramics room at Julie's Artery. As part of the deal, Rick got to take lessons on the wheel, which was something he had never had the opportunity to do before. He right away fell in love with the medium and the process. Now it is not unusual for Rick to be found in the studio throwing on the wheel late at night or first thing in the morning, trying to master another form.

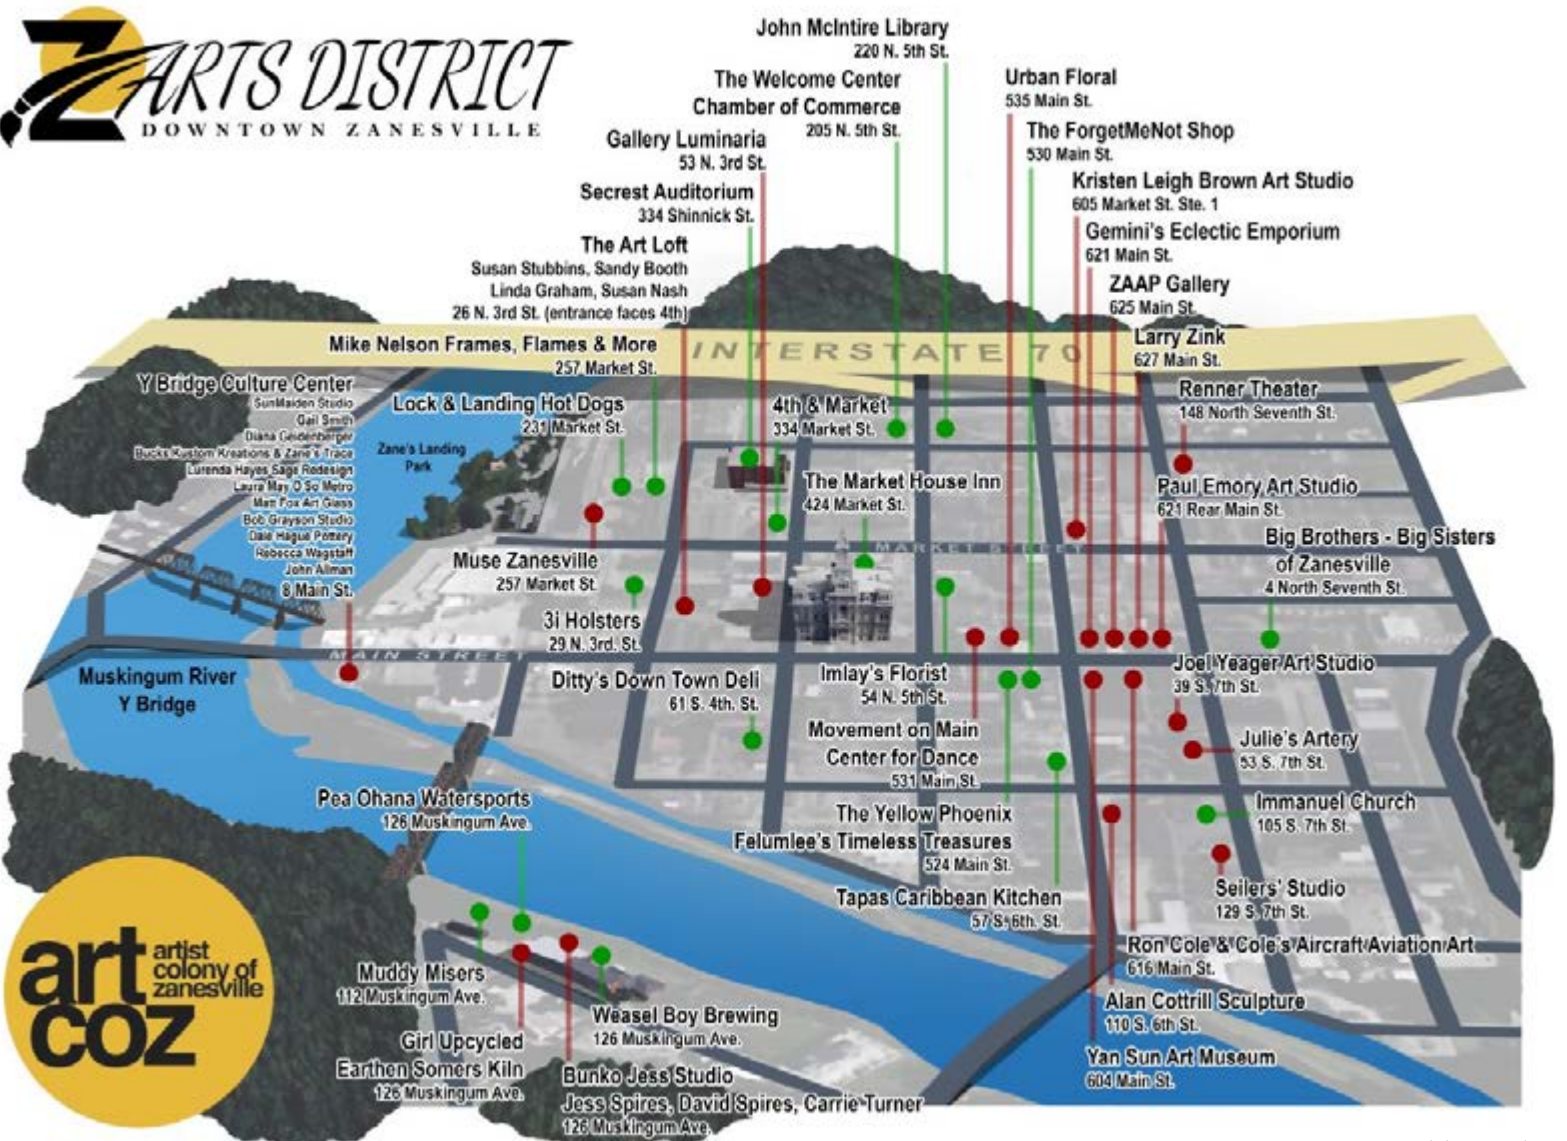

By trade, Rick is a master drywall and handyman. He is currently working on creating an additional multi-purpose classroom at Julie's Artery which will open late summer. Rick finds wheel throwing to be relaxing. "It's so fulfilling and there's nothing better than making something out of nothing." Rick's work will be on display at Julie's Artery during the May First Friday event and throughout the month. Please stop out and support Rick as a new artist.

ZAAP Featured Artist

Monica Crawford is fairly new to painting, and she is heavily influenced by her affinity for nature: the shapes, colors, and patterns of landscapes, plants, trees, flowers, birds, and fish. She often incorporates an abstract or fanciful interpretation of these subjects whether as a primary focal point or as background elements. She likes when viewers are drawn into her artwork in much the same way as they may find themselves drawn into the plot of a good novel.
