Chad Kettlewell

Chad Kettlewell is a fine art and commercial photographer specializing in outdoor genres including landscapes, wildlife, and abstract. Photography gets Chad outside and is also a form of mindfulness. Chad says "I completely lose myself in the process and everything else fades away. I also hope to make a connection with somebody that finds as much joy in the image as I had in the process of making it." Chad thinks the right piece of art on the wall can do that for you every day. Chad lives in the country just east of Zanesville with his wife Candace, and their three boys.

Kathy German

Kathy German is a fluid and contemporary artist based in Zanesville, OH. After retirement, Kathy started painting and began this wonderful journey. Being untrained, Kathy feels as though she is unlimited in boundaries and techniques, spending countless hours blending and creating. Kathy's paintings are unique with style, flow and content. Kathy says "I love creating the unexpected or unpredicted, with the end result making me smile and fall in love with it."
