ARTIST OF THE MONTH

The Art Loft

The Art Loft studio and gallery will be celebrating 7 years of creating together during this First Friday Art Walk.

In 2017, Studio 202, (artists Susan Stubbins and Susan Nash) joined forces with Side Track Arts, (artists Linda Graham and Sandy Booth). Together they formed The Art Loft.

The artists share a creative drive that is enriched by their sense of community, collaborative spirit, and their eagerness to support and promote other artists. These values are expressed in their work and are influenced by their choice of media.

Susan Nash works with textiles and found objects to create her highly personal quilts. Susan Stubbins uses textiles, fiber, found objects and water media to explore major themes in various series. Linda Graham primarily uses alcohol inks and encaustics to display her vibrant images. Sandy Booth also explores alcohol inks and mixed media to create her introspective pieces. The commonality between all four artists is the biographical or personal nature of their work.

We hope you will join us during the First Friday Art Walk to help us celebrate our past while looking forward to a future of more inspired creativity. Celebratory food and drink will be available along with a wall full of brand new artworks by all four artists. Music will be provided by locally popular musicians Roger Tovel and Paul Manini of "Mister Joe".
