CAPABILITY STATEMENT

Ogreena began as Green Carpet Clean and Housekeeping Service in February of 2009 in Oakland, California with the single goal of Helping Humanity Achieve the Green Lifestyle.

With Climate Change becoming an increasingly important issue, our Green Team is dedicated to discovering and bringing Healthy Products and Services to Government Agencies, Corporations and Communities throughout the World.

Ogreena has developed Green Products and created Green Service Techniques which allow our clients to receive excellence while helping humanity transform into a regenerative society.

In our 12 years of service, one of our greatest discoveries is the importance of treating our Clients, Team Members and Supporting Team with Kindness and Compassion.

Join us in our efforts to make monumental Green improvements in the products and service industries and Help us create Local Green Jobs which foster Human Kindness.

Team Work Makes the Dream Work!
