DEPARTMENT OF MUSIC
Choral Activities

VIDEO SCHOLARSHIP
AUDITION PROCEDURES

All applicants are expected to audition and interview in person. However, if you live beyond 500 miles of Mississippi State University and are unable to audition or interview in person, you may submit a video recording of your audition to the MSU Choral Activities, YouTube or upload to statesings.com Google Drive. If you need an alternative, please contact us.

Before you send the audition, be sure to check for sound levels, framing, focus, and lighting. It is recommended that you make your audition a “private” posting (which you can control via YouTube’s “Broadcasting and Sharing Options”) and email the URL link for your audition video to msuchoir@msstate.edu.

The University reserves the right to re-audition any applicant admitted based on the submitted video. In such cases, we also reserve the right to reconsider and to withdraw, if necessary, the original offer of admission, or scholarship.
