Jules Hope Chest presents ... 9th Annual Joe Silva Memorial Christmas Toy Drive Dinner

This holiday season marks our 9th Annual Memorial Christmas Toy Drive and we are happy to announce that with safety precautions in place we will be celebrating the 9th Annual Joe Silva Memorial Toy Drive Dinner in person on Thursday, December 9th, 2021 at 6:30pm to be held at the Riviera Restaurant located in East Providence, RI 02914. The theme for this year's event is "Twas the Night before Christmas" and tickets are available for purchase. Evening includes dinner, holiday music, raffles, swag bags and holiday fun all included with the ticket donation of \$25.00pp.

Jules Hope Chest is a non-profit organization that was established to provide the extra hope and enhancement of items and programs that are truly essentials of childhood. They are the items that are easily cut from budgets but we are making them our priority to allow children to just be kids and not have to worry about the needs and essentials for their childhood. We are committed to helping the most vulnerable at need children in the state of Rhode Island by providing opportunities and resources that they may otherwise not experience.

"Our toy drive along with our Memorial Toy Drive Dinner was established 9 years ago in memory of my Dad (Joseph Silva) it all started with a vision that built off my father's legacy. It's been a whirlwind but completely and utterly amazing to be able to help so many at risk children, families in need, organizations and communities in our home state of Rhode Island. Since taking over my Dad's Toy Drive in 2013 we have collected thousands of toys and help hundreds of families all year round." stated by Julie Silva, Founder/CEO

Jules Hope Chest is proud to host our Toy Drive Dinner again this year and is committed to follow the late Joseph Silva's wish of seeing every child to be able to wake up Christmas morning to a present under their Christmas tree.
