

# RECLAIM VOTERS' RIGHTS

An Initiative Statutory Amendment  
by grassroots volunteers

Initiative 25-0019A1

**We need 700K signatures to put this on the November 2026 ballot!**

## What Is This Petition?

- ✓ **Restore our right to petition every year**--not every 2 years--so voters can correct or repeal laws through citizen initiatives every year.

## Why It Matters

- ✓ When a law harms us, we shouldn't have to wait 2, 4, or 6 years to fix it. Annual initiatives let us correct or repeal bad laws sooner.

## How You Can Help

- ✓ Download the petition at [ForCalifornians.com](http://ForCalifornians.com). Print, sign, and mail back.
- ✓ Ask your friends and family in California to sign the petition.
- ✓ Volunteer and gather signatures: Call 650-417-3198
