NATIONAL LIBRARY CARD SIGNUP MONTH

One Card, Endless Possibilities!

National Library Sign-Up Month raises awareness about the growing value of libraries in communities and encourages people of all ages to sign up for a library card. Our libraries are more than just places to borrow books. Libraries are modern hubs of learning and creativity, and access to vital information and technology. Everyone should have a library card and take advantage of our free educational resources, internet access, research tools, and community programs.

With increasing reliance on digital information and remote access, libraries provide essential services such as eBooks, digital databases, and virtual programming. At Lakeview Area Public Library, we are celebrating National Library Card Signup Month and encouraging everyone to sign up for a library card, including children of all ages.

The Library's Pen Pal Program is Launching!

We're excited to announce that our Pen Pal Program is starting up this month. We're partnering with Mannford Public Library in Mannford, Oklahoma! This is a great opportunity for readers of all ages to connect with someone new, learn about life in a different part of the country, and experience the joy of sending and receiving handwritten letters.

Here's how to join:

- 1. Write a letter introducing yourself!
 - Tell your future pen pal a little about who you are, your hobbies, and your town. Be sure to include a few fun questions for them to answer about themselves or where they live.
- 2. Turn in your letter at the library by September 30th.
 - We'll take care of mailing everything to Mannford!
- 3. Once the letters from Mannford arrive, librarians will match you with a pen pal. You'll then receive their letter and can keep the conversation going from there!

All ages are welcome to participate. Whether you're a kid, teen, or adult, this is a fun and meaningful way to connect and share.
