

## Happy New Year!

The library reopens today, January 3, at 10 a.m. Come in and find a book for the new year. Maybe you could even make that one of your goals for the New Year! A book a month!

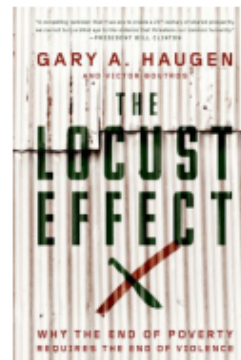

We will be adding new books soon. New, best-sellers are regularly added. We also were able to purchase additional sets of children's and large print books thanks to memorial donations and fund-raising efforts. Look for these coming soon!
