Need WiFi? Check out a free mobile hotspot

The Greenville Library is offering free hotspots to members of our library. These can be reserved and obtained at our library. Click [here](#) for more information.

Meet Libby: Your Easy access to E-books

One of the benefits of library membership is access to free e-books to read on your own devices. The OverDrive App is being retired, and the Libby App is replacing it. Click [here](#) for a video about using Libby or pick up a bookmark at the library. An additional video can be found [here](#).

Have you tried Beanstack?

It's not just for summer kids' activities. Track reading to encourage interest and growth for all ages. We have two ongoing programs.

Go to:
lakeviewarealibrary.beanstack.com

Preschoolers' parents can enroll kids in [1,000 Books Before Kindergarten](#). Children are rewarded as they progress.

[Growing Readers](#) is a program for all ages. This program challenges participants to read 10 books.

Out and About in Our Community

G. Turner Craig Park Renovations

Each summer we enjoy the use of our community's park in our programs. Presently, the Sandy Lake Borough is in the process of renovating the park. If you would like more information about their efforts click [here](#).

Check out these programs available at our local state parks in March.
