Need WiFi?

Check out a free mobile hotspot

The Greenville Library is offering free hotspots to members of our library. These can be reserved and obtained at our library. Click [here](#) for more information.

Meet Libby

One of the benefits of library membership is access to free e-books to read on your own devices. The OverDrive App is being retired, and the Libby App is replacing it. Click [here](#) for a video about using Libby or pick up a bookmark at the library. An additional video can be found [here](#).

Keep that Reading Resolution!

We have many new books for both kids and adults. We also have several new large print books and many best sellers from 2022. Come in and browse for your next read.

Join Our Lego Build Club

Love to build with Legos? Come to the library at a time it is convenient for your family and join in our build club for January and February. Click [here](#) for more information.

The Wednesday Book Club is taking a break this month and will not meet.
