Board News:

Board Update: Welcoming New Members and Expressing Gratitude

We're excited to announce two new additions to our Board of Directors! Kate Collins and John Poor join us, bringing valuable expertise and fresh perspectives to our team.

Kate, a former CPA and high school Algebra teacher, brings a deep understanding of accounting and educational needs. John, with his extensive background in the automotive industry, offers a keen sense of business acumen and practical problem-solving skills.

We extend our sincere gratitude to Dave Popovich, our outgoing President, who stepped down in November. Dave's leadership and dedication have been instrumental in our early success, and we're thrilled to welcome him as an advisor. Roger Johnson, our current Vice President, has seamlessly transitioned into the Presidents role, ensuring continued momentum and stability.

Our heartfelt thanks also go to Mike Trela, our retiring Treasurer. Mike's financial expertise and commitment have been invaluable to this recovery, and we're grateful for his continued support as an advisor. Kate Collins will take over as Treasurer at the upcoming Annual Meeting, ensuring a smooth handover of responsibilities.

Please join us in welcoming Kate and John to the Board and thanking Dave and Mike for their outstanding contributions. We're confident that with this dynamic team, our organization will continue to thrive and achieve even greater success.
