All BOD positions are a three-year term but are staggered for elections. Positions #1 and #5 one year, position #2 and #3 one year and position #4 one year.

For positions appointed by the Spokane county commissioners, the term is only until the next scheduled election. The election must be more than 30 days after the appointment. If the appointments are not made 30 days before the 2026, December 8th Election, then the appointed positions will sit on the BOD until the 2027 elections, at which point the appointed BOD members will run in the 2027 election to fulfill the term of the position.
