

Dear MOAB Irrigation District #20 customers and stakeholders-

MOAB invites and encourages you as a MOAB customer or stakeholder to come to the next board meeting Thursday, August 20th at 6 PM at the MOAB office. Spread the word to your Moab neighbors and friends. If you know you will attend, please let us know in case we need to move to the Grange for larger accommodations.

One agenda item is a request from Pioneer Water Co. (which serves the Highland Estates subdivision above the Barker Road traffic circle) for a partnership or possibly annexation into Moab. This meeting will be an opportunity to learn about what's happening with Pioneer and the status of discussions.

The District welcomes your concerns, questions, and suggestions on this or any pertinent topic. **If you have specific issues you wish the board to address in the meeting, please let us know in advance by email (moaddistoff@moabdist.com), letter or drop off a note at the office, in order to give the directors a chance to prepare.**

Keep an eye on the Moab website at <https://moabirrigationdistrict20.com> for the meeting agenda, to be posted a few days in advance.

Any questions please email: roberts@moabdist.com or call Robert Snow at 509.460.7116.
