Schedule: Monday through Friday, 7:30 AM – 3:30 PM (flexible days within the week as assigned)

On-Call: Required every other week

Location: Newman Lake

Compensation: \$21.00 - \$25.00 Hourly, DOE

Start Date: As soon as possible

Potential for Full-Time: This position may become full-time with benefits after 6 months based on performance and district needs.

Job Description:

Moab Irrigation District is seeking a reliable and motivated individual to assist with the day-to-day operations of the irrigation system. This is a non-benefit, part-time position with a consistent weekly schedule and an on-call requirement every other week.

Duties and Responsibilities:

- Assist with the maintenance and monitoring of Moab Irrigation district's distribution system.
- Maintain water system to ensure timely and efficient water supply to customers
- Communicate with supervisors regarding system issues and needs
- Perform general fieldwork such as locates, meter reads, customer inquiries, buildings and grounds maintenance.
- Be available for on-call support every other week (including weekends)

Qualifications:

- Must be at least 18 years old
- Able to perform physical labor outdoors in varying weather conditions

- Must have a valid driver's license and reliable transportation
- Prior irrigation, general maintenance, mechanical and plumbing experience is a plus but not required
- Must be dependable, self-motivated, and willing to work as part of a small team
