## Microbial Feed Additive for Poultry

Contains a source of live, naturally occurring bacteria.

**FORMULA 1-GP:** Formula **1-GP** contains a proprietary formulation of beneficial and viable Lactic Acid Bacteria. **1-GP** was developed solely by The Vit-E-Men Company based on research and development. Trial results are available upon request.

**CONCENTRATE ANALYSIS:** **1-GP** contains a total of 35 billion cfu's per gram, of *Lactobacillus acidophilus*; *Enterococcus faecium*; *Pediococcus acidilacticii*; *Lactobacillus brevis* and *Lactobacillus plantarum*. When fed according to label directions, **1-GP** will supply 350 million cfu/ bird.

**INGREDIENTS:** Sucrose, dried *Lactobacillus acidophilus* fermentation product; dried *Enterococcus faecium* fermentation product; dried *Pediococcus acidilacticii* fermentation product; Dried *Lactobacillus brevis* fermentation product; dried *Lactobacillus plantarum*; Synthetic amorphous precipitated silicon dioxide.

**DIRECTIONS FOR USE:** Turn off chlorine treatment system while feeding this product.

A 100 gram pouch will treat 10,000 birds. Make stock solution using 1.25 gallons of fresh non-chlorinated water and mix thoroughly until dissolved. This is a live bacteria and needs to be run without the use of water line disinfectants or chlorinated water. Run stock solution in drinking water and mix fresh stock solution daily. Use the first 3-4 days of life and any stressful situations (feed changes, turn out, sickness, etc.). We recommend running a waterline disinfectant between uses to prevent buildup in waterlines and nipples.

### WARNINGS:

- This is a live viable Bacteria Product.
- Discontinue chlorine water treatment through the water system while feeding this product through water treatment system.
- Flush your system with disinfectants or chlorinated water after each use of this product to kill and clear your water system. Not doing so could cause damage to your water system in terms of plugged filter or water lines.

**STORAGE:** Store in cool dry place out of direct sunlight. For optimum, long-term storage, store in a refrigerator or freezer.

**DISCLAIMER OF WARRANTY:** The Vit-E-Men Co. Inc. warrants that the product conforms to the label description. Liability of seller shall be limited to the purchase price of the product, which shall be the buyer's sole remedy.
