

1-G Aqua

(Oil Product)

44500-4

U.S. Patent No. 8,802,171

Microbial Feed Additive for Aquaculture

Contains a source of live, naturally occurring bacteria.

About Formula 1-G Aqua: Formula 1-G Aqua contains a proprietary formulation of beneficial and viable Lactic Acid Bacteria. Formula 1-G Aqua was developed solely by Life Products LLC based on research and development programs.

Concentrate analysis: Formula 1-G Aqua contains a total of 20 billion cfu's per gram of Lactobacillus acidophilus; Enterococcus faecium; Pediococcus pentosaceus; Lactobacillus brevis and Lactobacillus plantarum.

Ingredients: Fish oil; dried Lactobacillus acidophilus fermentation product; dried Enterococcus faecium fermentation product; dried Pediococcus pentosaceus fermentation product; Dried Lactobacillus brevis fermentation product; dried Lactobacillus plantarum fermentation product; Paraffin, Synthetic amorphous precipitated silicon dioxide.

Storage: Store in cool dry place out of direct sunlight.

Directions for use: SHAKE WELL BEFORE USE

12.5 grams per Ton will supply 275,330 cfu per gram of feed.

17 grams per Ton will supply 374,449 cfu per gram of feed.

25 grams per Ton will supply 550,660 million cfu per gram of feed.

50 grams per Ton will supply 1.1 million cfu per gram of feed.

Disclaimer of warranty: Life Products LLC warrants that the product conforms to the label description. Liability of seller shall be limited to the purchase price of the product, which shall be the buyer's sole remedy.

Manufactured by:
The Vit-E-Men Co.Inc.
306 E Omaha Ave.
Norfolk, NE. 68701
1-800-658-3120
Net wt. 10,000 grams
